

Sustainability is no longer a choice, it is a long-term survival strategy. For those willing to take the lead, it offers the greatest economic opportunity of our time.

Who we are

We are a team of seasoned experts dedicated to guiding and empowering clients across both private and public sectors on their journey toward a sustainable future. By harnessing our knowledge and unique ability to convene key stakeholders, we drive meaningful, transformative action.

At onepoint5, decades of experience equip us to support institutions and organizations in tackling the pressing climate challenge. We help our clients overcome today's obstacles while identifying emerging trends and opportunities for innovation and leadership.

What we offer

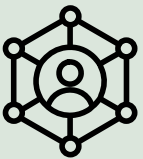

Research and policy briefings

...to understand and anticipate developments in the international climate agenda and their likely effects.

Risks & opportunities assessment

...to identify the impact of climate-related issues and advise on optimised responses and sustainability strategies.

Stakeholder relations

...to facilitate engagement with relevant actors in the climate space and create new opportunities for sustainable development.

Innovative sustainability strategies

...to articulate groundbreaking and disruptive initiatives that drive sustainability forward.

Alignment with global pledges and initiatives

...to assist governments, companies and other organisations in their efforts to reconcile growth with sustainability, in accordance with international commitments and national policies.

Engagement in multilateral fora

...to strengthen our clients' constructive engagement with the international climate agenda.

Our approach

1. Comprehensive Initial Consultation and Detailed Needs Assessment
2. In-depth Analysis of Organizational Context, Industry Trends, and Socio-Economic Factors
3. Strategic Development of Tailored Sustainability Strategies and Detailed Actionable Plans
4. Hands-on Implementation Support and Guidance Throughout the Process
5. Ongoing Monitoring, Evaluation, and Adaptation for Sustainable Progress
6. Long-term Partnership and Support for Achieving Lasting Impact

Our leadership

Patricia Espinosa Cantellano Founding Partner & CEO

Patricia is a respected leader and influential voice on the global stage, with more than 35 years of experience at the highest levels in the fields of sustainability, multilateralism, global governance, environmental stewardship and gender equality.

Prior to founding onepoint5, she was the Executive Secretary of the United Nations Framework Convention on Climate Change (2016-2022), leading the transformation of the organization towards supporting the full implementation of the Paris Agreement globally. She also served as Minister of Foreign Affairs of Mexico (2006-2012), in which capacity she presided the 16th United Nations Climate Change Conference (COP16). She is a career diplomat, and served as Ambassador of Mexico to Austria, Slovakia, Slovenia and the UN Organizations in Vienna (2002-2006) and to Germany (2001-2002, 2012-2016).

Currently she serves on the boards of the We Mean Business Coalition (WMBC), the leadership council of the Global Energy Alliance for People and Planet (GEAPP) as well as chairing the board of the Latin American chapter of the Glasgow Financial Alliance for Net Zero (GFANZ).
